

November 14th, 2016

Dear W.F. Ready Families,

KITCHENER COMMUNITY SCHOOL SANTA SHOP: We are currently seeking NEW or GENTLY USED items to donate to the Santa Shop at Kitchener. The Santa Shop is a school run “store” where students can shop for items to give as gifts to their loved ones over the holidays. This year our school has once again partnered with Kitchener Community School and one of our commitments is to provide items to their Santa Shop. Suggested items: toys (new or excellent condition), unopened lotions/perfumes/nail polish/makeup, puzzles, games, knick knacks, ornaments, festive gift wrap/ribbon/tissue/gift bags, jewellery (for men or women), men accessories (wallets, ties, etc), blankets, slippers, pajamas, picture frames, etc . . . Please do not send candles. Remember, these items will be re-gifted, so we ask that they are new or in very good condition. Items can be dropped off at the office. We will collect items up until December 7th.

KITCHENER COMMUNITY SCHOOL ADOPT A FAMILY: This year our We Act Team and Student Representative Council will be collecting food and money donations so that they can adopt a Kitchener Family for Christmas. We are responsible for building a hamper for a family of 6. This includes food for the holidays and gifts for each child. Please consider donating a non-perishable food item or a cash gift. Our students will go and purchase perishable food items and gifts for the family. We ask that money or food donations be brought to conferences on November 18th in the gym with the Community Fair. We will also have a raffle table where you could win a \$50 voucher towards school clothing order.

CLOTHING ORDER: School Clothing Order will run from November 14th to 18th with sizing kits available on November 18th (Conference Day). Any proceeds from the clothing orders will be used to purchase items for the Kitchener Community School Santa Shop or towards Adopt a Family. Order form is attached.

WINTER CONCERT: Once again this year our Winter Concert will be for students in DPS, FIAP, and Kindergarten to Grade 4/5. The concerts will be on December 14th and 15th. The format will be similar to last year as we are required to be more strict in accordance with fire regulations. Detailed information will be sent home to families of students in the grades performing so you know which night(s) your child(ren) perform. I will give you a heads up now that there will be an afternoon performance for each concert and it is *strongly encouraged* that your extended family (grandparents, aunts and uncles, etc) attend this matinee. The evening performances will have a limit of 3 tickets per family and we would be heartbroken to have to turn people away due to seating capacity.

COMMUNITY FAIR: On November 18th (Conference Day) we will be hosting a Community Fair in the gym. Please find attached information about the wonderful community organizations that will be in attendance. You may wish to have a family portrait done by Lifetouch (fee), learn more about our SCC, grab a snack, learn about the United Way initiatives, or perhaps how the Regina Public Library can support literacy in your home! There will also be opportunity for you to learn how to access Parent Portal. We are confident there will be something for everyone at our first Community Fair!

Sincerely,
Mrs. Angie Balkwill
Principal
