The **École Wascana Plains School Playground Fundraising Committee** is pleased to share the Cash On-Line Donation Page, with all proceeds going to the two play structures to be installed on our playground. Just sign in or create a new account and give as much as you like. Any donations over \$25 will be issued a tax receipt. Our goal is to raise \$100000 to cover the material costs and installation. École Wascana Plains School Parent and Student Information Night

Thursday, April 6, 7:00 PM
École W.S. Hawrylak School
2530 Assiniboine Ave. E.

Please come and join us for our Parent and Student Information Night. Find out more about the school, see some pictures, and get information regarding registration. We will also provide some updates on our Playground Fundraising Committee and Before and After School care. All future school families are welcome!

Before and After School Program

We have started our search for a **Before and After School Program** provider. There will be a maximum of 60 spaces in Gr. 1-6 (Gr. 7-8's as space is available). Our Before and After School committee will hope to have a decision by the end of April. There is a very good chance demand may exceed our capacity and you must be registered with the school to qualify. The best place to watch for more information is on the new school website for updates.
